CAHOKIA VOLUNTEER FIRE DEPARTMENT

Dear Business Owner / Manager:

The Cahokia Volunteer Fire Department is currently planning our 10th Annual Fire Engine Rally, Muster and Picnic.

We have had a great success with our picnic and everyone who attended has enjoyed their time at the picnic and parade. We'd love to see as many businesses and organizations as possible participate in the fun this year.

Our goal is to have one of the biggest celebrations around this year. Due to city improvements we will not be able to use the same parade route as before. The route will be from Cahokia Park (Nova Plaza) to Paris to Jerome to Range Lane.

To make this happen, we would really like your participation by coming out with a parade entry that represents your business and having a great time participating in our parade and picnic.

We have enclosed flyers and registration forms for the events. If you have any questions please contact Randy Smith at 618.514.5094, email: picnic@cahokiafire.org or Asst. Chief Roger Lourwood at 618.223.9654.

Respectfully,

F.F. Randall Smith
